

Trip & Holiday Activity Volunteer (Brent)

Young Roots works directly with young refugees and asylum seekers in North London and Croydon, aiming to improve their wellbeing and life chances.

We are looking for five **trip and holiday activity volunteers** to assist in running our termly Saturday trips and holiday activities (sometimes on weekdays) for young refugees and asylum seekers in Brent, North West London throughout the year. Trips and activities may include visiting museums, playing sports, seeing central London sights, creative workshops and more.

We ask volunteers for a one-year commitment as this helps build trust and connection with the young people we work with, and you would be expected to commit to a minimum of 3 trips per year. All volunteers will need to provide 2 references, undergo a Young Roots DBS check and attend Young Roots safeguarding training. Travel expenses within Greater London are covered.

Young Roots recognises the positive value of diversity, promotes equality and challenges discrimination. We welcome and encourage job applications from people of all backgrounds. As an organisation that supports refugees, asylum seekers and migrants, we particularly welcome applications from within these communities, as they are currently under-represented in the organisation.
